

Planning for the Future: Wills & Trusts Information Evening

Tuesday 14th June 2016 7pm -9pm

Bodmin Road Church, Padstow Close, Bransholme, Hull HU7 4HE

As parents of a child with Down syndrome many of us worry about how our children will manage when we are no longer around. This free, informal talk by local solicitor David Rhodes will explain how Wills and Trusts can be used to protect our families financially in the future.

The talk will provide parents with an understanding of the key issues surrounding this subject, the options available and the confidence to take the next step with their legal adviser if they choose to do so.

There will be plenty of opportunity to ask questions and share worries and concerns with other parents.

David Rhodes is a director of Swan Solicitors, a local company who specialise in wills and trust planning. David also provides services to Mencap as a Regional Advisor in the area of Wills and Trusts.

To book a place please RSVP by Tuesday 7th June to Louise on office@downrightspecial.co.uk or call/text 07762 754122

Cost: Free but if you would like to make a donation on the night to cover the cost of refreshments and room hire that would be much appreciated!
