## JOIN US IN CELEBRATING DOWN SYNDROME AWARENESS WEEK 19<sup>th</sup> -25<sup>th</sup> March

### AND WEAR 'LOTS OF SOCKS'

Down Syndrome Awareness week takes place on 19<sup>th</sup>-25<sup>th</sup> March 2018 and incorporates World Down Syndrome Day on Wednesday 21<sup>st</sup> March. We would love it if your organisation would take part in this year's celebration to raise awareness of Down syndrome and raise vital funds for your local charity Downright Special.

We would really appreciate it if you would join us, other organisations, schools and nurseries in this area and many other people worldwide in this fun and easy way to raise money and get everyone talking about what it means to have Down syndrome, help raise awareness of what Down syndrome is, and how people with Down syndrome play a vital role in our lives and communities.

We ask that everyone comes to school or work on Wednesday 21<sup>st</sup> March or (any day during awareness week or any other time to suit!) wearing lots of brightly coloured, patterned or odd socks and makes a voluntary donation of £1. You could even wear three socks to represent the fact that people with Down syndrome have three copies of chromosome 21!

'Lots of Socks' is a worldwide campaign organised by Down Syndrome International for World Down Syndrome Day (<https://worlddownsyndromeday.org/>). The enclosed information explains how to take part.

The money raised will help us to continue our work supporting children with Down syndrome across Hull and East Yorkshire and in particular will help us to continue our essential work providing specialist advice, resources and training to schools and nurseries on the inclusion of children with Down syndrome.

Many thanks for your support and please don't hesitate to get in touch if you would like further information.

Kind regards

Gillian Bowlas
